

Rule 0.2

Sealed Reports; Adult Criminal and Juvenile Delinquency Proceedings; Psychological, Chemical Dependency, and Mental Evaluations and Reports.

In all adult criminal and juvenile delinquency proceedings the clerk of the court shall seal and not permit examination of the following: psychological evaluations, chemical dependency evaluations and reports, mental evaluations and reports containing medical history or medical background. Sealed reports may be opened by petitioning the court with a motion and notice to involved parties in conformity with GR 15(d). The parties to the action or their attorneys may view sealed reports without a court order.
